As you may be aware, that as per the DGFT Trade Notices, Non-Preferential Certificate of Origin will also be issued through DGFT's common digital platform (URL: <https://coo.dgft.gov.in>). The objective of the platform is to provide an electronic, contact-less single window for the CoO related processes. Preferential CoOs for FLAs/PTAs are already being issued through this DGFT digital platform.

We, Delhi Chamber of Commerce have already been made live by DGFT on the e-CoO digital platform and we have started accepting the applications online for issuance of Non-Preferential Certificate of Origin. **As per DGFT Trade Notice No.19, dt. 1st October 2021, the Certificate of Origin Non-Preferential will be issued only through the DGFT digital platform (<https://coo.dgft.gov.in>) from 1st November 2021.**

Exporters may please take note of the following points:
